

Guide for
Application to Sit for
Fundamentals of Engineering
Examination

Dear Applicant

PEB has prepared this guide to help you in your application.

There are two parts to the application process:

- 1) Submit online application and payment
- 2) Submit documents as listed in the checklist to PEB

Before you proceed to apply to sit for Fundamentals of Engineering Examination (FEE), check and ensure that you have obtained an approved qualification. You may refer to Professional Engineers (Approved Qualifications) Notification 2009 at <https://www.peb.gov.sg/actrules.aspx>.

For more details on exam times and dates, format, syllabus etc., you may refer to Information for Applicants – Fundamentals of Engineering Examination at https://www.peb.gov.sg/apply_fee.aspx.

For applicants who are retaking the exam, it is important to fill up the correct data that have been provided in the previous application so as to facilitate the processing of the new application.

Applicants in the final year of study from the qualification listed in Professional Engineers (Approved Qualifications) Notification 2009 must get letter from the university to certify that you are undertaking a full time undergraduate engineering degree programme of not less than 4 years, and is in your final year of study. The letter should indicate the branch of engineering of the degree programme.

Online Application

Before you proceed to apply to sit for FEE, you are required to read the requirements for registration as a professional engineer and declare that you have done so. You may click and read the requirements at Guidelines for Registration as Professional Engineer.
